

AMBASSADOR APPLICATION

Our Ambassadors are the public faces, welcoming handshakes and working feet of our Chamber. With the help of our Ambassador Program, our members feel connected and engaged with the work we do. Our Ambassadors are the first to volunteer for special events, ribbon cuttings and help further our mission to support the community of Siloam Springs. Ambassadors also work directly with our members to welcome, mentor, support and grow our business community.

Because of the nature of this program, we request each Ambassador be as active as their business will allow. We have many volunteer opportunities and events for our Ambassadors to be active at each month and hope that you will volunteer as much time as you can. There is a monthly meeting on the fourth Thursday of each month from noon to 1 p.m. Lunch will be provided from a local business each month. An Ambassador name tag will be provided and additional tags may be purchased.
